

Taunton Gay Group

Scan Me

Don't feel alone, let's get together!

Taunton Gay Group (TGG) creates informal 'pop-up' social meet-ups for LGBTQ+ people to get together, chat and make friends. We meet in Taunton and welcome people from across Somerset or beyond, in all their diversity.

The group is really informal and does not require membership, we just meet up in local venues, such as a pub

or cafe, or join existing events including arts and pride festivals, to bring people together from the community and feel less isolated. We also share relevant networks and support information from LGBTQ+ partners across Somerset and the South West. Get in touch if you'd like to know more or follow us online to keep up to date with what's happening.

"I have absolutely loved going to TGG meet ups, and I have met some wonderful people."

"Fantastic group - fantastic for the LGBTQ community"

"It's an excellent group to join. The people are very friendly and encouraging, especially if you're not all that confident..."
