

Don't feel alone, let's get together!

"Its an excellent group to join. The people are very friendly and encouraging, especially if your not all that confident..."

"I have absolutely loved going to TGG meet ups, and I have met some wonderful people."

"Fantastic group fantastic for the LGBTQ community"

Taunton Gay Group (TGG) creates informal 'pop-up' social events for LGBT+ people to get together, chat and make friends.

The group does not require membership, we just meet up in local venues, such as a pub or cafe, or join wider events including pride festivals, to bring people together in the community and feel less isolated. We also create some online events including quiz nights and link relevant events and information from other LGBT+ partners across Somerset and the South West.
