## Report A Hate Crime

Hate crimes and incidents come in many different forms. If a hate crime happens to you or someone you know, it is important that you report it.

By reporting hate crimes when it happens, you can help stop it happening to someone else. You can also help the police to better understand the level of hate crime in your local area to improve the way they respond to it, in turn helping your friends, family and community.

Call 999 if someone is in immediate danger. Call 101 to contact local police for

## Welcome to Trans+!

Trans+ is a support group for North Somerset's transgender, non-binary and gender-questioning community. We meet monthly on the first Wednesday of the month and welcome anyone who is questioning their gender, transitioning or a trans ally.

The group is an opportunity to meet like-minded people, make friends and find support. We have guest speakers, activities and discussions, and offer a safe space for people to learn, understand and connect with their community.

If this sounds like something that would interest you, please email [support@nslgbtforum.com](mailto:support@nslgbtforum.com) for joining details.

Trans+ is one of the four support groups provided by the **North Somerset LGBT+ Forum**. Email the Forum for more information about their other Wednesday groups.
